

## Productivity Commission Prize for Microeconomic Theory IV

This prize was established by the University as a result of a contribution from the Productivity Commission who wishes to support a student in Microeconomic Theory.

### The following rules now apply:-

1. The prize shall be called the 'Productivity Commission Prize for Microeconomic Theory IV'.
2. The value of the prize will be \$1,000.00 awarded directly to the qualifying student.
3. Students enrolled in the Honours Degree of Bachelor of Economics or coursework Masters level are eligible.
4. The prize is awarded to the student achieving the best mark for Microeconomic Theory IV.
5. The prize shall be awarded by a representative of the Productivity Commission (or nominee) upon the recommendation of the School of Economics.
6. Where there is more than one student with an equal mark, the prize shall be shared.
7. The prize will appear on the academic transcript of the recipient, and will be formally recognised at the annual School of Economics Prize Giving Ceremony.
8. The University may vary the rules from time to time in a manner consistent with the University's legal obligations and [policies](#).
